# ACTIVITIES

There's a happy way of looking  
that lets you always see  
just how bright and special  
all the smiles and friends can be

There's a happy way of living  
the Tommies always had  
all the games and dances  
that we'll remember and be glad

# SPORTS

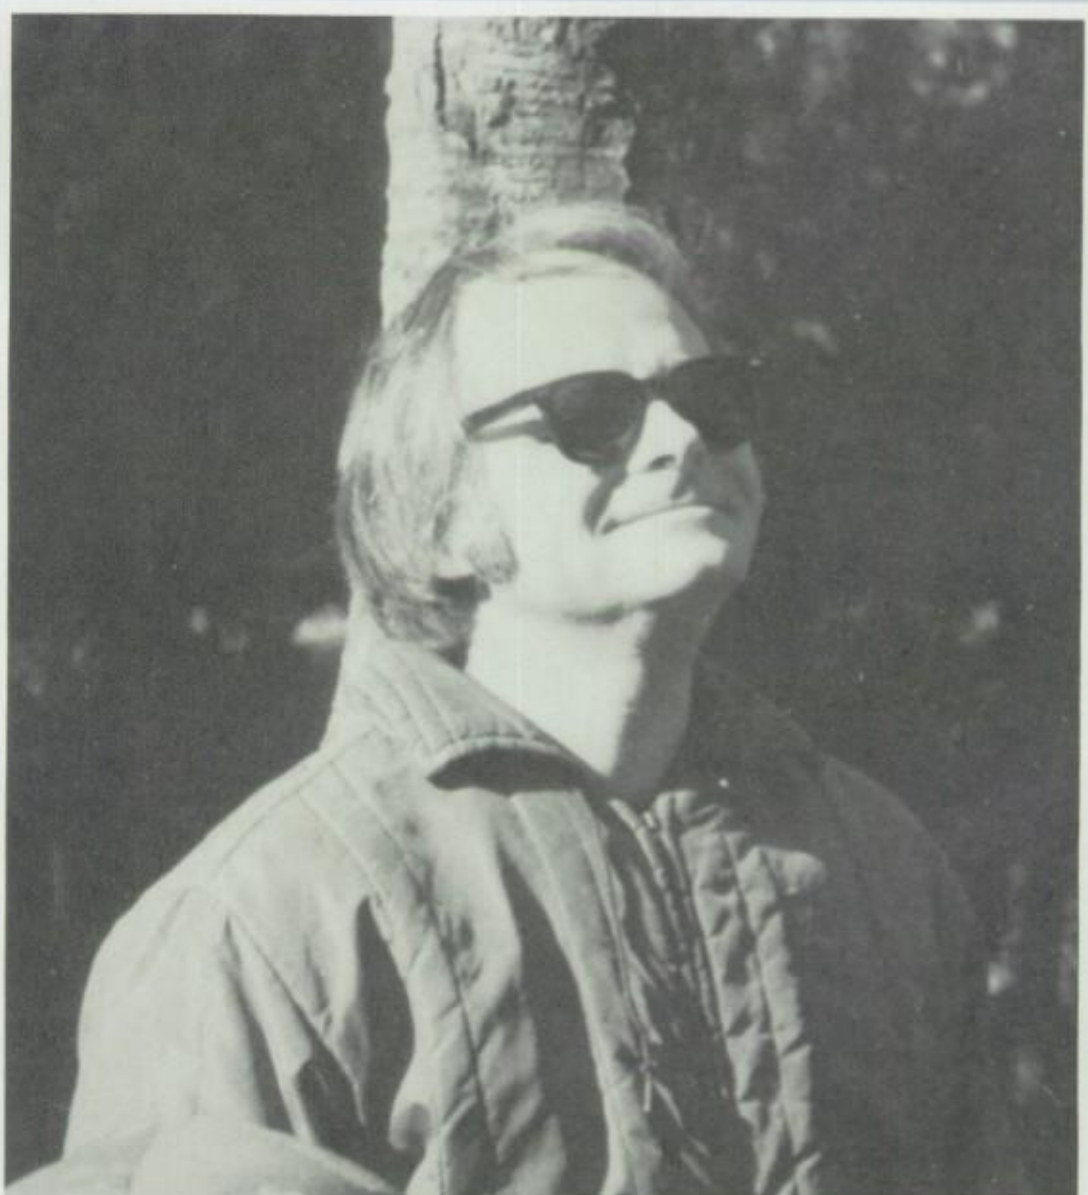

Excitement racing through the crowd  
Tommie fans are cheering loud  
Listening to the tommie sound  
on to victory we are bound  
colors flashing blue and gold  
Edison toms are always bold

# FRIENDS

As Time endears  
but cannot fade  
The memories that friends  
have made  
One thing to always cherish  
is the fun we had.

## SMILES

A touch of the hand,  
a call on the phone.  
A good word said,  
some sympathy shown.  
The "Hi's" and "Goodbye's"  
with warm loving smiles  
Describes to you,  
the friends I've known.

On Monday, September 25, with Homecoming just around the corner, finalists for Homecoming King and Queen were chosen. They were Betty Ruud, Patty Felegy, Lori McNeal, Joyce Kuch, and Carlene Lipa, Pat Faber, Jim Wentland, Darrell Bosell, Dave Farr, and John Schroeder.

September 28 finally arrived with the Homecoming Coronation Program and the crowning of the King and Queen. Cheryl Anderson, last years Queen, crowned Pat Faber as King, and Dan Kuch, last years king, crowned Joyce Kuch as the 1978 Homecoming Queen.

Tricycle races signaled the beginning of the homecoming events for 1978. Keith Ledin was the winner of the singles race and Sandy Jacobson and Sylvia Hedler won the doubles race. Monday afternoon the fifteen King and Queen finalists were announced. Queen Semi-finalists were: Lisa Anderson, Connie Dowdle, Lisa Elia-son, Patty Felegy, Joyce Kuch, Angel Super, Carrie St. George, Lori McNeal, Betty Ruud, Cindy Rud, Carlene Lipa, Sherry Weinstock, Alice Corbett, Annette Thompson, Laura Pearson, and Tammy Kramer. The King Semi-finalists were: Tony Neis, Pat Faber, John Schroeder, Darrel Bosell, Jim Wentland, Dave Farr, Jon Chelstrom, Gary Randall, Mike Mc-Murchie, Randy Bircher, Glen Brozak, Petch Howitz, Tom Kaczowski, Gino Villela, Craig Weckworth and Jim Zahor-ski. Tuesday's activity was a spaghetti "chow-down" which was won by Kevin Wohlk. On Wednesday the annual stu-dent-faculty basketball game was played. The faculty huffed and puffed their way to a 32-16 victory. Friday morning the annual Marathon race was held. Laura Comminetti and Glenn Chiodo won the contest. After a one year absence, the homecoming parade was returned to Edison's Homecoming festivities. Floats were built by all of the classes and the Pep, Spanish, and French clubs. Decor-ated cars were also permitted in the parade. The Queen and her court rode through the parade in a fishing boat. The winning floats were the Pep Club and the Spanish Club. After the parade Grand-Marshall, Pete Guzy presided over the rest of the activities, which included the game, a 54-0 victory over West.

Scattered mirrors reflecting the past, set the mood for this year's Homecoming theme, "Remember When." The assembly took place September 28, 1978, at 7:30 p.m. Acts varied from the music of the roaring 20's to today's 1970 rock and folk music. Joyce Kuch and Pat Faber were crowned Queen and King at the end of the evening.

# HOMECOMING DANCE

The lights began flashing and the music started rolling signifying the end of homecoming week and the beginning of the homecoming dance. Spirits ran high due to Edison's victory over West, making the dance a great success. The Student Council selected the band Caribou to play for the evening's entertainment.

# THE WELCOME DANCE

Sponsored by the Pom-Toms, the first dance of the year was held in the lobby of the New Gym on September 15, 1978. Energetic music was provided by Twin-City Disco. A change of places brought new faces!!!

# HALLOWEEN

On the moonlit night of October 27, the witches and werewolves of Edison High "creepily crawled" into the lunchroom to hear the sounds of Sparta. Sponsored by the Pep Club, the dance was a horrid success. Best costumes were won by 10th grader Brian Person, 11th grader Pam Nelms, and the Fruit of the Loom group Ardie Black, Mary Hanzlik, Wendy Tanner, and Cookie Crepeau for best group costume.

## 8TH GRADE HAYRIDE

On November 3, 1978 the 8th grade students attended a hayride at sunnybrook farm. This event, chapperoned by Marge Goss, Mr. & Mrs. Lobash, Mr. & Mrs. Minnema, Mr. & Mrs. Ruud, and Mr. & Mrs. Troiden, was planned especially for 8th grade students because they are not able to attend regular school dances. Cookies & punch & Disco was provided after the hayride.

# SADIE HAWKINS' DANCE

Once again, as Edison High resembled dogpatch, the gals got a chance to pursue their guys in the annual rush called Sadie Hawkins' Day, held on December 1. The doors opened at 8:00 at which time the guys were off and running. Throughout the night, students exchanged vows and rings, spent minutes in the smooch booth, and called the pig. Music for the night was provided by a country-western band, Alias.

## MISTLETOE DANCE

Just by coincidence, many couples paused momentarily under the mistletoe at the annual Mistletoe dance sponsored by the Edison Flag Girls on December 15. Afterwards, they danced in the lunchroom to the music of Dynamic Disco.

## SNO-DAZE ROYALTY

On Friday January 26, Darrell Bossell and Patty Felegy were crowned King and Queen at the Sno-Daze Assembly. ## PATTY AND DARRELL REIGN

# SNO-DAZE ASSEMBLY

"Snowflakes keep falling on my head" was the theme for this year's Sno-Daze assembly. Acts varied from lancing to dancing. There were snowflakes falling on the heads of a few of the performers, with a little help from those "wild and crazy guys." Jeff Luitjens and Dawn Stephanson were the M.C.'s Mr. Sieve was in charge of the assembly.

# SNO-DAZE DANCE AND CARNIVAL

The Sno-Daze Dance was held Friday, January 26, and the Carnival from 7:30-11:00. The activities consisted of the Slave Block, sponsored by the Senior class, the Dart Throw, sponsored by the student council, and the Cake Walk, sponsored by the Spanish Club. In the meantime, students were dancing to the music provided by "Chaos" in the lunchroom from 8:00-11:00 P.M. Sno-Daze events were sponsored by the Student Council.

# SWEETHEARTS "79"

A full moon, dimly lit dance floor, and sparkling disco music set the stage for the sweetheart dance and Coronation which was held in the student lunchroom on February 9. This annual event is sponsored by the Pom-Toms to raise money for costumes. Because the event followed Sno-Daze by only two weeks, consideration was given to dropping the coronation. The final decision was to hold the coronation and it was evident by the anticipation and excitement preceding the crowning of Edison's Sweethearts, that this tradition was here to stay. Twin City Disco provided an appropriate variety of music which, combined with the fact that the Tommies defeated South's Basketball team and won the Twin City Wrestling title, made this a festive evening. Finally the magic hour arrived, all candidates were given a flower for good luck—the level of tension rose and cameras snapped as Bev Schuman walked casually behind the king candidates and placed the coveted crown on the handsome brow of John Schroeder. The cheers had not yet died down before Alice Corbett lifted the Queen's crown high above the heads of the smiling queen candidates and for a few agonizing seconds the crowd grew silent and watched intently as the crown weaved and bobbed and finally was matched with the sparkling eyes of Lori McNeal.

## SUMMER BAND

Band was busy this year starting with the street marching season. From June to August, Edison received 9 second places out of 10 parades. From September to October, the Marching Band worked on a field show for the Oct. 22 Vikings-Green Bay game at the Mets. The Edison band was also chosen to play at a Democratic Convention for President Jimmy Carter.

# CHRISTMAS CONCERT

The 1978 Christmas Concert was divided into two evenings. On Wednesday, December 20, the 8th and 9th grade band performed along with the choir and stage band. December 21, the two concert bands, under the direction of Robert Stacke, played Christmas melodies like "The Wassail Song" and the "Nutcracker Suite." The Flag Girls also did a toy soldier routine to "March of the Toys."

## THE VARSITY FLAG GIRLS

The Varsity Flag Girls participated in many band activities and half time shows throughout the year. They will remember the long practices, parades, and the times they have shared together. The captain this year was Marie Ogren and Bob Stacke, the advisor.

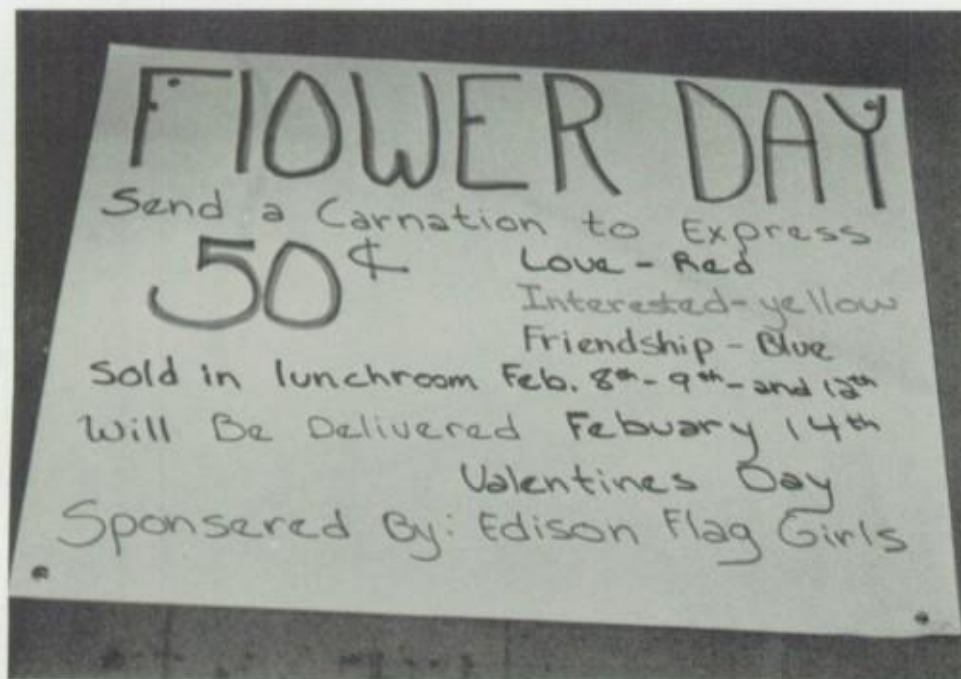

# THE EDISON FLAG GIRLS

The Edison Flag Girls participate in many band functions throughout the year. Marching in hot and humid weather, the girls always remembered to march high and keep smiling. They sponsored the Mistletoe Dance and performed at Pep Fests during the year. This year's co-captains were Jody Petrangelo and Laura Wagner (right). Bob Stacke was their advisor.

# CHEERLEADERS

We are the Cheerleaders of Edison High,  
Remembering this year along with a sigh;  
You've given us the privilege of wearing Blue-Gold,  
The colors that to us will never grow old;  
Looking behind us for the end is now here,  
Dear Edison we thank you for a wonderful year!

Good-bye and good luck,  
We'd now like to sign—

# THE EDISON POM-TOMS

The excitement of being selected as one of the dozen Edison Pom-Toms had hardly dimmed before hard work and sore muscles become a reality of life. The Edison dancers started daily practices on July 5, from 7 to 10 a.m. Routines and costumes had to be planned quickly as the first performance was Aug. 2 at the Eastside parade and coronation. Fund raisers were planned and vacation schedules changed, finally the school year started.

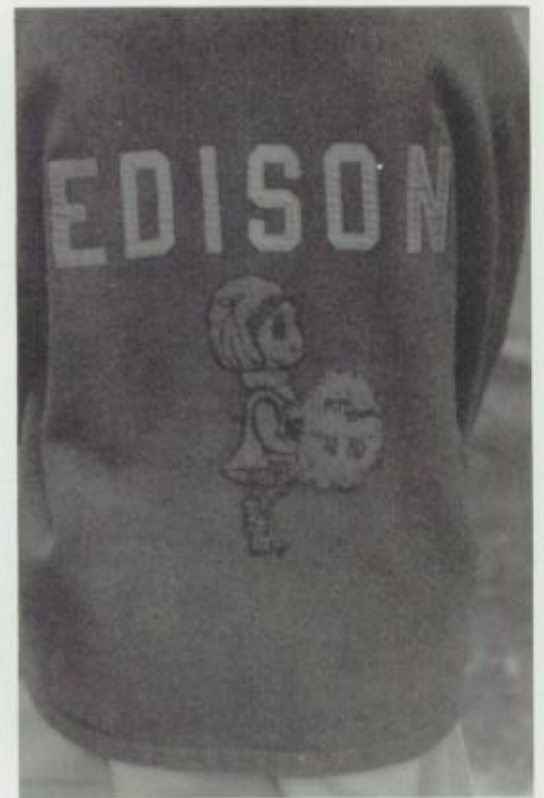

Under the leadership of Lori McNeal the team captured the second place trophy at the Anoka Invitational and turned in many eye catching performances in their deliberate and precise style.

# INTERNATIONAL DAY

International Day was held on February 14, which was organized by the AFS Club. Students from other parts of the world showed slides and talked of their country in various classrooms. After school all the students were invited by the AFS Club to attend a party at Rhythmland Rollerskating Rink.

## MIXED BLOOD

Mixed Blood performed at Edison on February 15 for the English and History classes.

## ASSEMBLIES

Here are some scenes from a variety of assemblies held at Edison this year of which included Homecoming, Sno-Daze, and Pep Fests.

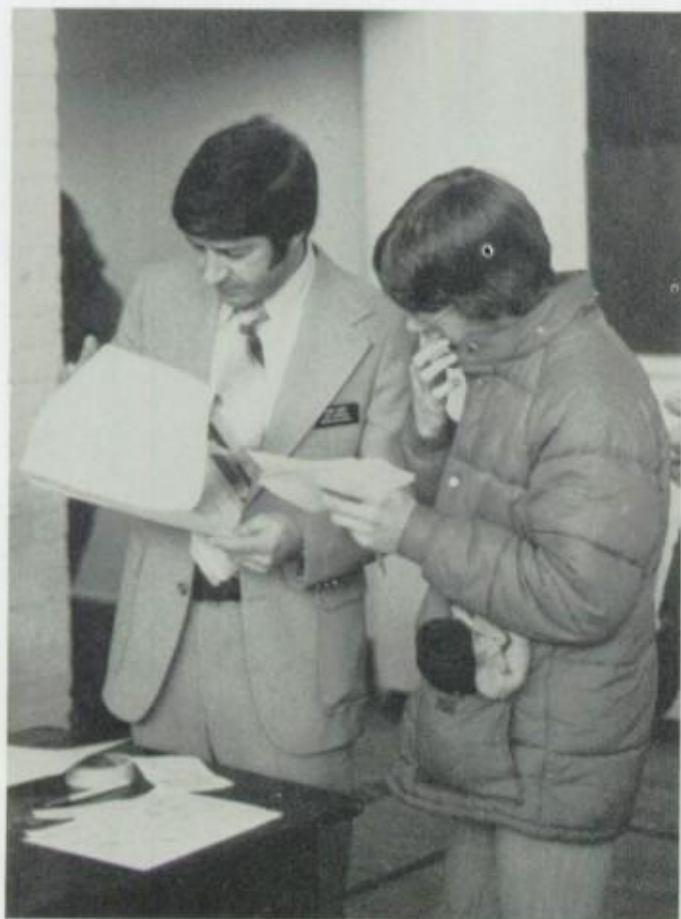

# REGISTRATION

Here are some photos of this year's third trimester's registration. With the efforts from the staff and the effectiveness of the conflict tables, sponsored by the student council, many problems were solved.

## LIBRARY

The library was opened this year after a year of construction. Changes include: conference rooms, the carols (with electrical outlets), the regular cards, new method of finding books in the card catalog, and the privilege of taking out records and tapes. The library now has a relaxing atmosphere in which to study.

# CANOE TRIP

An exciting tradition at Edison is the Faculty-Student Canoe trip. Twice a year, members of the student body and staff pack into automobiles and vans and travel to the Crow Wing River near Wadena, Minnesota, for a two-day canoeing and camping experience. In addition to canoeing students receive information on outdoor living and ecological rules, plan their own shelters, cook their own meals and usually manage a game of volleyball before the sun sets. After singing a few camp songs and telling a few "spooky" stories around the campfire, students and teachers take their tired bodies to designated shelters fairly early, because canoes must be in the water again early Sunday morning. The long ride home is rather quiet as most students catch a few hours sleep and thoughts turn to Monday when bells will again signal the reality of classes. Arrangements and planning are under the direction of Mr. Luck and Mr. Marcouiller.

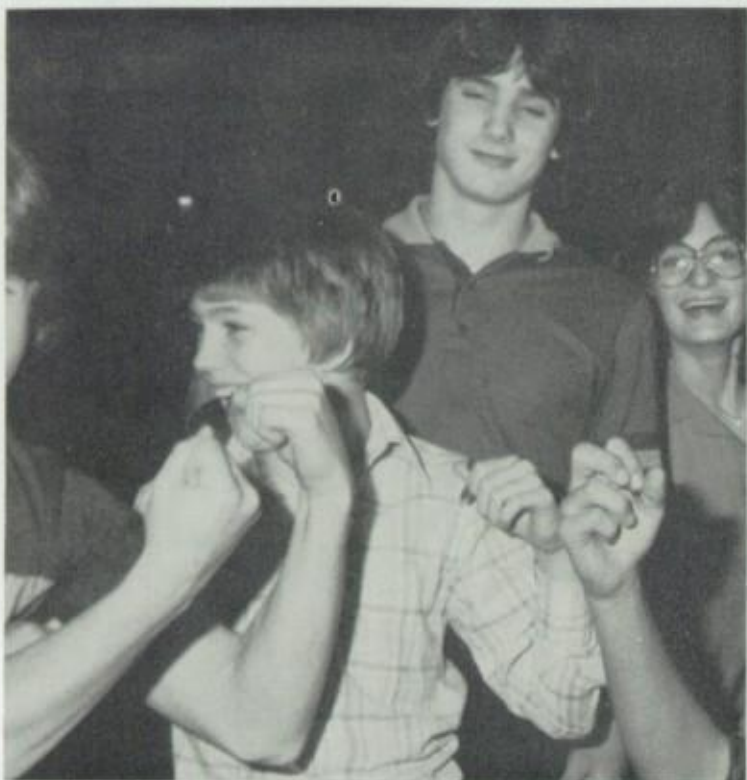

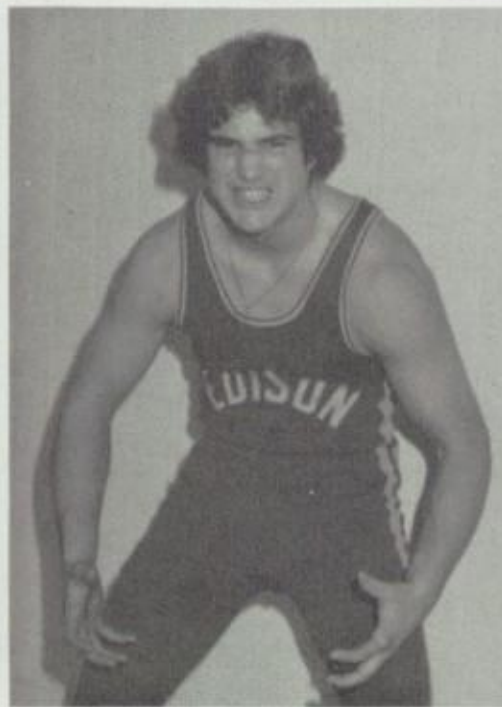

# FACES

## PLACES

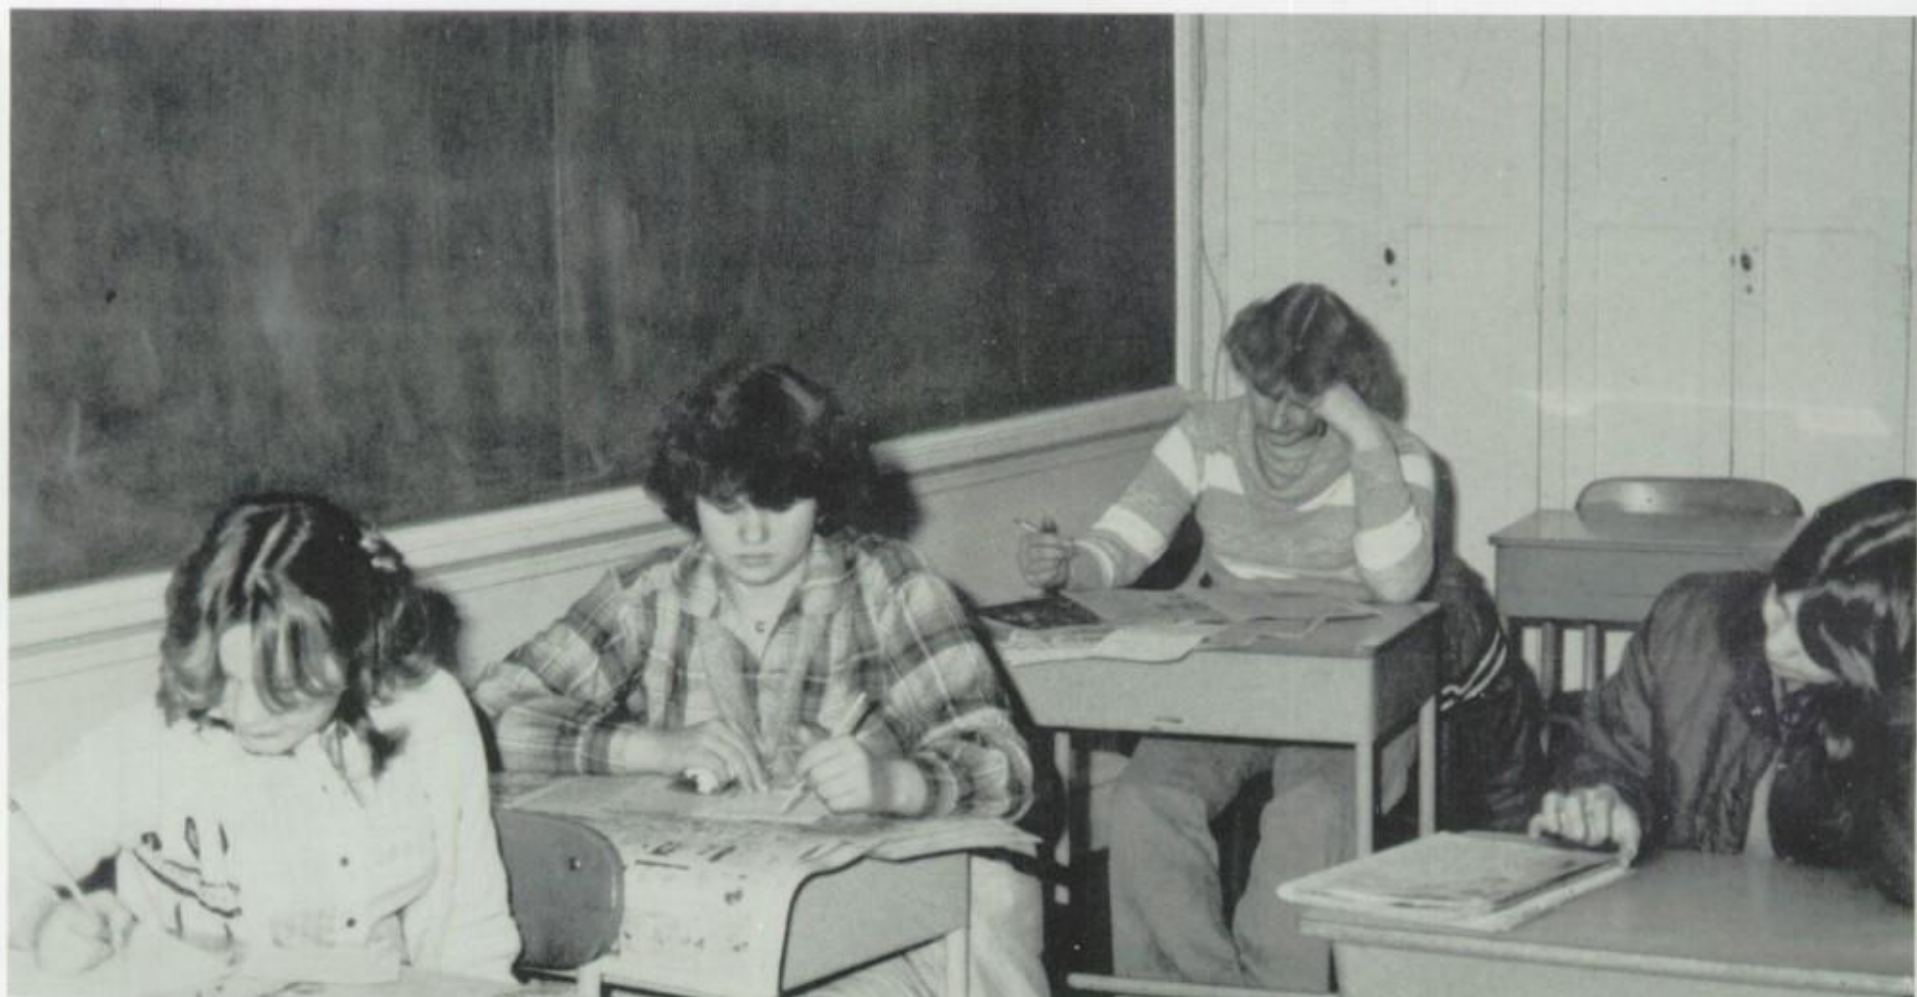

# ALTERNATIVE EDUCATION

The Work Experience Program is designed to give students an opportunity to participate in Edison's academic program in the morning and then work in the afternoon. The program is open to all grades.

# MENLO PARK

Menlo Park offers an alternative for students from Edison. Menlo is for students who feel they cannot relate to Edison. Students participating in this program have the regular classes—English, Social Studies, and Gym. This year Menlo is located at Sheridan Jr. High. Patricia Lobash is the coordinator.

## POCKET SCHOOL

Pocket School was started as an alternate program in 1972 for those students who need tutoring on the basics, such as reading, mathematics, social studies, and English. The program's activities are field trips to vocational schools and places of culture. Staff for this program is Rosie Hagen, Mr. Bauman, Mrs. Risk, and in addition, Mrs. Sally Roberts.

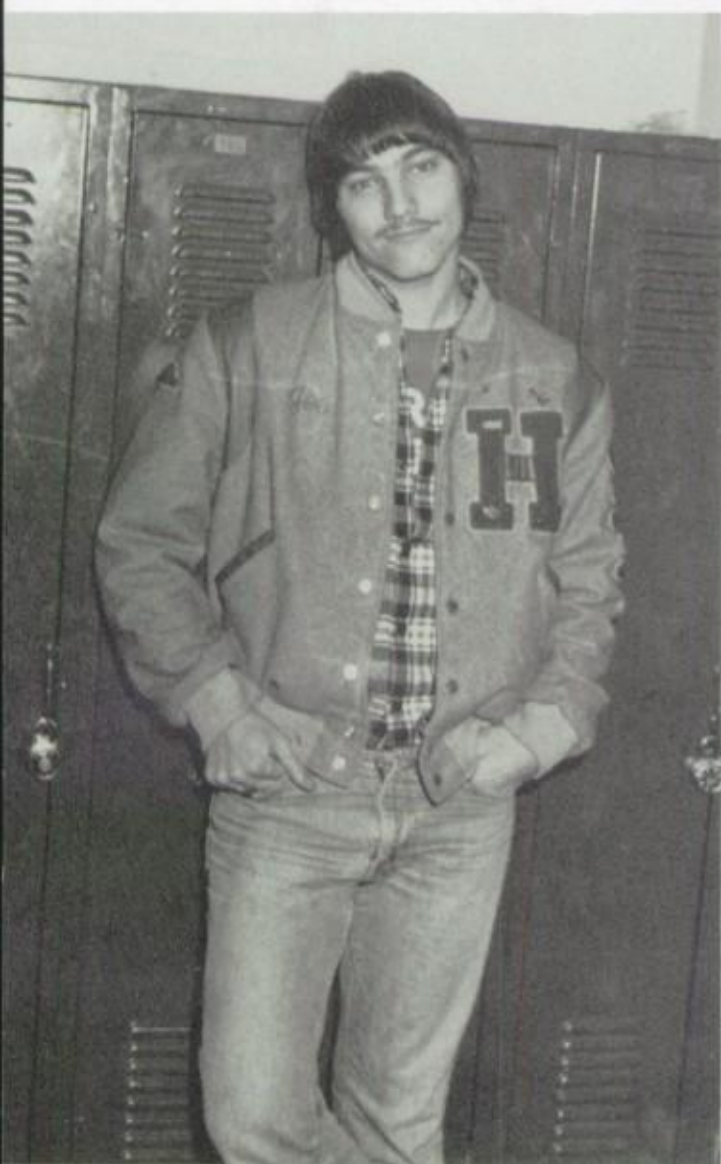

## H.E.N.

The Henry, Edison, North program is in its third year. The reason for this program is to give students a wider choice of classes, to encourage intergration and to give students an opportunity to meet new people. This program has increased a great deal since last year. There were 435 students involved 1st tri, and 690, 2nd tri.

## SPEECH AND DEBATE

The Debate Team was a good novice team. The 18 members debated every 3 weeks and won half of their debates. The Speech Team had a large membership this year. The season started with the U of M tournament and ended with the state tournament on April 28. For the first year there was a tournament at Edison, Feb. 10, at which Edison placed 5th. Many Speech and Debate students participate in Student Congress. Richard Clem was elected Senator and Laura Hedlund's bill on legalizing marijuana was passed.

Edison's Football had another great season, ending the year tied for the conference championship. The team's record was 7-1 in the conference. The one loss to Roosevelt. Coach Schulz commented, "The outstanding game of the season was when Edison defeated Washburn 21-0. Perhaps the most amazing statistic was that Edison held Washburn to 34 yards in 35 plays." The team should be congratulated for their great success. Some of the outstanding senior players were Craig Weckwerth, fullback; Darrell Bosell, end; Gary Randall, tackle; Gino Villella, center; Tom Kaczrowski, quarterback. This year four players were chosen to the all conference team. They were Jon Chelstrom, John Schlundt, Jim Wentland, and Pat Faber. Chosen for the All-Metro team was Jeff Moritko and Pat Faber. Pat Faber was also elected to the Minneapolis Tribune's All-State Team. The team's captains were Pat Faber, Gary Randall, and Jim Wentland.

City Conference Title

1978-79 was a year of surprises, hard work, and fun for the Edison Swim team. Seeded a distant fourth in the city, Edison stunned their competition with an upset victory in the City Conference meet, bringing home their 4th straight city crown. Will Edison's dynasty continue? "Each year is a separate battle with nothing taken for granted," commented Coach O'Keefe, "But we would like to keep up with the wrestling."

# SKI TEAM

The Ski Team had a good year, with the Boys' Cross-Country Team finishing 2nd in the City meet, 3rd in the Conference, and 4th in Section 5.

The girls placed 4th in the City, 3rd in the Conference and 5th in Section 5. Senior Captain Bruce Nelson was named to the All-City Boys' Team and placed 2nd in the Section Meet. Sophomore Brian Pearson was a medal-winner in both City and Section Competition, and placed well ahead of all other Minneapolis competitors in the State Meet. For the girls, junior Wendy Tanner was named to the All-City Team. The slalom squads had a harder job, but they are to be commended for fielding teams at all under very adverse circumstances.

## PEOPLE

# ACADEMIC ACHIEVERS

Students above the 95th percentile as of Trimester 1.

Lisa Anderson

I plan on attending the U of M or Mankato State for Nursing or Veterinarian Medicine. I enjoy taking long walks to think about and appreciate nature. My goal in life is to finish college and get a job that will keep me happy and make others happy. My philosophy in life is to always finish what you start and never quit.

Richard Clem

I am planning on attending the U of M. My goals are to make people realize that the world isn't such a bad place after all, and to let myself be a little unorthodox when necessary. My favorite pastime is talking. I go about this through ham radio and other various sundry methods. I have always admired Teddy Roosevelt. He didn't let things stand in his way. For example, when he lost the presidency he went on to bigger and better things—he became a cowboy. My philosophy is if you look for the good things in life—you will find them.

Colleen Carlson

I plan on attending St. Thomas College next fall. I am not quite sure, but I am interested in Computer Technology or the Social Field. I enjoy dancing and partying. My goal in life is to have a profession of some kind and be successful. My philosophy of life is to live for tomorrow, don't dwell on the past. Treat other people the way you want to be treated, but always be yourself and smile.

Laura Comminetti

I plan on attending Bemidji. I would like to go into Marine Biology or Wildlife management. I enjoy sports and spending time outdoors. My goal in life is to try as many new things as I can and to do something that will benefit others. My philosophy of life is to take the time to enjoy life and to help other people to enjoy it too.

Mark Harlestad

I plan to attend Augsburg and begin my studies in becoming a Dentist. My favorite pastime is golf and other outdoor activities. My goal in life is to become successful in whatever I do. I admire Jerry Lewis for making people laugh and at the same time helps those who have the crippling disease of Muscular Dystrophy. My philosophy of life and help others to enjoy it with me.

Lisa Harstad

My plans are to attend Smith College in Massachusetts where I will hopefully earn a degree in Chemistry. My favorite pastime is taking off on wilderness canoe trips in Canada. My goal in life is to find the source of human spirit. My philosophy of life is to always regard the world with love and respect and to treat each hour of my life as a gift.

Sylvia Hedler

My immediate future plans are to further my education. My pastime is filled with the duties of being Lt. Governor of Key Club Int., and studying the piano. My goal in life is to grow and develop into a beautiful person through my accomplishments. I do not choose to pattern my life after any famous person, for my objective in life is to be "ME". I believe that life is what you make it; it's not what we have—but what we use. Not what we dream—but what we do.

## Petch Howitz

I plan to go to the college of St. Thomas. My favorite pastime is being with friends and playing sports. My goal in life is to become a missionary or join the Peace Corps. I would like to pattern my life after St. Peter. He had the concern and faith to go to the people. My philosophy of life is the person sitting next to you is your brother, treat him as thus.

## Paul Kalina

I plan to go to Southern Methodist University, Stanford U, or the U of M. I will be pursuing a career in either medicine or dentistry. My favorite pastime is golf. My goal in life is to become successful and help those people who haven't been as fortunate as I have been. I would like to pattern my life after Hubert Humphry and Roger Staubach. My philosophy of life is to enjoy life to the utmost and to make the best of each situation whether it be good or bad.

## Kathy Jablonsky

I plan to go into a career of medical assisting. My favorite pastime is being with friends and watching their reactions to my great jokes. I also enjoy dancing, sewing, and making Ukranian Easter eggs. My philosophy of life is, if you don't learn anything in a single day, you have wasted a day. My goal in life is to be successful in all I do and receive satisfaction in what I do for others.

## Keith Ledin

I plan to attend St. Olaf and major in one of the natural sciences. My favorite pastimes are camping, canoeing, and skiing. My goal in life is to become successful at the vocation of my choice. I feel it is more important to live up to your own expectations than to live up to the expectations of others.

## Sue Longsdorf

I plan to attend the U of M Institute of Technology and major in electrical engineering. My favorite pastime is acting "crazy" and making other people smile. My goal in life is to find out who I am and what my abilities can achieve. My philosophy of life is to be yourself and if you're wondering who you really are, don't ponder on that question because eventually you'll find out.

## Holly Marquardt

I plan on attending Mankato or Bemidji State. I have interests in accounting but I am not sure of my major. My favorite pastime is the outdoors—I love fresh air and sunshine. My goal in life is to be happy, comfortable and successful and hopeful in this order. My philosophy of life is to be thankful for everyday and enjoy every moment I can, to live life fully. I think it's important to know yourself and be yourself.

## Larry Kinde

I plan to attend the U.S. Military Academy at West Point. My pastimes are soccer, hunting, swimming, and enjoying the company of friends. My goal in life is to eventually return to West Africa as a missionary. Being happy in life demands the best possible effort, right relationships with God and right attitudes towards people. I'd like to emulate R.J. Renolds, Douglas MacArthur, M.P. Birch & D.R. Kinde. Between them, they possess the qualities I believe I'll need for success in life.

## Carrie McQuisten

I plan to go to Augsburg and major in French. My favorite pastime is going out with friends and having fun. My goal in life is to have a happy and secure life and be successful in business. My philosophy of life is to keep myself and others happy no matter where I am.

## Lori McNeal

I plan to attend the College of Liberal Arts at the U of M. My favorite pastime is being in classes and meeting lots of special people. My goal in life is to become the best possible "Me". My philosophy of life is to learn from every experience and continue to change so as to become a better person.

## Janine Rivet

I would like to attend college but I am undecided as of where I will go. My favorite pastime is spending time up North fishing and just being outdoors in the fresh air. My goal in life is to first serve Him and then my Fellowman in whatever capacity I can. My philosophy of life is the Christian philosophy that man, to reach his highest potential and usefulness, must, as the Bible says, "In whatever you do, do as unto the Lord."

## MaryJo Morris

I plan to attend the U of M and major in accounting. My favorite pastimes are being with my friends, laughing, enjoying my family, and watching old movies on late T.V. My goal in life is to become a Certified Public Accountant and be successful at it. My goal in my personal life is to make everyone around me happy for that would make me happy. I admire Johnny Carson because of the strength he demonstrated in attaining his place in the lives of many Americans. My philosophy of life is make the most of every moment for every moment will soon be a memory.

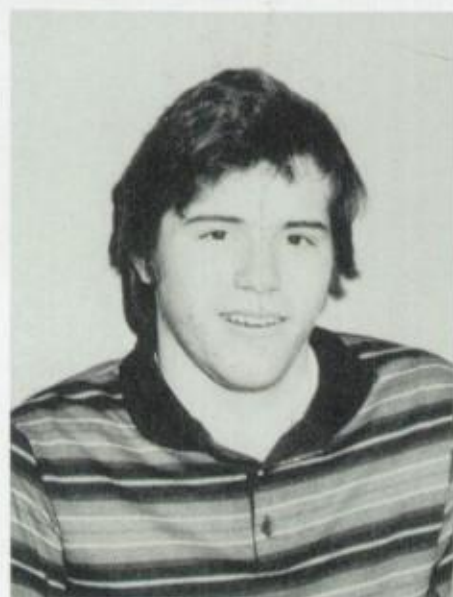

## Ellen Robinson

My plans are to work this summer and attend Gustavus Adolphus College in the fall, majoring in Special Ed. or Music therapy. My favorite pastime is music, both listening & playing my flute. I would like to pattern my life after Henry David Thoreau because he was an independent nonconformist. My goals in life are to be independent and loving. I hope to get the most out of each day and to share my love and happiness.

## Robert Rutkiewicz

I will be attending I.T. at the U of M next fall. I enjoy talking with my friends and finding out about things. My goal in life is to leave my mark in life. My philosophy of life is to do the best that I possibly can and to add what I can to society.

## John Schroeder

I plan on working this summer hoping to bank some money for school next fall. I would like to enter the Radio field through Brown Inst. My favorite pastime is to create my own way or to enjoy someone else's art. My goal in life is being able to support a family with a vocation I enjoy. I admire Bob Dylan because throughout his works he speaks of ideals close to us all. He is an innovator always changing to explore new techniques. My philosophy of life is to improve on my faults, while trying to stay happy.

## Mary Schumacher

I will be working as a secretary at a firm downtown this summer. My favorite pastime is getting together with friends and going to movies. My goal in life is to always be able to put my best forth at whatever I do. My philosophy of life is to always give it your all.

## Tim Shaughnessy

I plan on attending St. Thomas where I have hopes to receive a 4 year scholarship from the Air Force ROTC. During that time I will be majoring in Business Administration. Some of my pastimes include being outdoors, water-skiing, participating in sports and just being with my friends. My goal in life is to be happy and successful in whatever I do. I also want to always hold a high concern for mankind. I admire Hubert Humphrey, for he was very honest and showed concern towards everyone. He devoted his entire life towards helping the minority people. My philosophy of life is not to see what I can get out of life but to see what I can contribute to life. Also I believe you should always give everything an honest attempt and never feel a goal is beyond reach.

## Mary Sue Sherin

I will be taking Mechanical Engineering at the U of M next year. I enjoy playing tennis, shopping, and watching football games. My goal in life is to try to be as kind and considerate to others as I possibly can be, because life wouldn't be meaningful if you couldn't get along with anyone. I admire Hubert Humphrey because he was so concerned about other people. During his lifetime, he helped many people who were less fortunate than himself. My philosophy of life is to always try to do the best you can do, and be kind and considerate of others at the same time.

## Caren St. George

My plans are to go to college and major in Business Administration. My favorite pastime is both cheering for and participating in sports. My goal in life is to become successful in whatever I do. My philosophy of life is to live each day to its fullest and keep an everlasting smile.

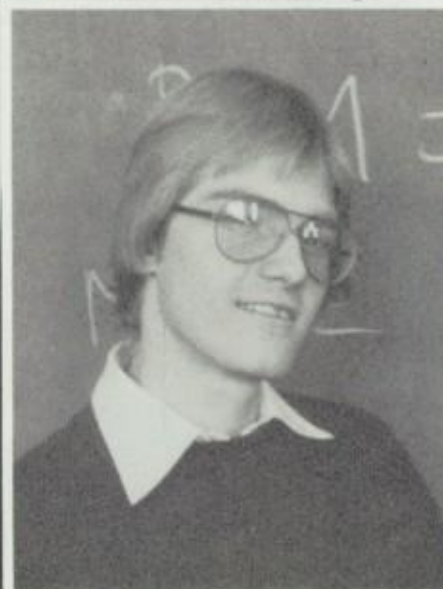

## Dawn Stephanson

I plan on attending either Gustavus Adolphus or St. Olaf College majoring in Psychology. I have enjoyed many things here at Edison but my time spent with Roger Harmon and the swim team hold a great many memories. My goal in life is to grow with every possible opportunity. I admire the late Hubert Humphrey for his drive, determination, compassion and love of life. My philosophy of life is "When life gives you lemons, make lemonade."

## Paul Thompson

I plan to attend the Institute of Technology at the U of M, majoring in Mechanical or Civil Engineering. I like reading, photography, and drawing or working on anything from paper airplanes to actual cars. I feel being honest with myself and maximizing all of my potentials will enable me to reach even the highest goals.

## Annette Thompson

In the fall I will be attending Mankato State Univ. to major in English and minor in art. My favorite pastime is participating in sports either by watching or playing. My philosophy of life is to live and learn.

## Sherry Weinstock

I plan to attend St. Mary's Junior College to study occupational therapy. My favorite pastime is going out with my friends and having a good time. My goal in life is to be successful in whatever I choose to do. My philosophy of life is to always look at the bright side of things and never allow things to get you down.

# THE WIZARD STAFF

As part of the Wizard staff we wrote copy, took pictures, missed class, stayed late nights, and drew layouts. Once we got started we worked hard together and accomplished what we set out to do—Put out a memorable yearbook. We hope that when you look at the yearbook it will bring back memories.

This page: Top right: Having a discussion; Center left: Alan Betker; Center right: Renee Mycko, Dolores Siminski, Diane Leba and Karyn Rademacher; Lower left: Connie Dowdle and Lori Julkowski; Lower right: Diane and Karyn working on a layout; Opposite page: Carlene Lipa, Julie Katrinak, Jill Davis, and Lori Julkowski; Center right: Gwen Riley busy typing; Lower left: Leo Wincek; Center: Ranelle Camplin; Lower right: Melisa Bailey.

## Memory

The sands fall fast through the hourglass  
 I wish we could reach in and stop them!  
 To savor a special moment  
 Or to carve a slipping second on our minds  
 But time waits not for us  
 We must hurry to keep pace with it  
 I'm glad we have a special gift, though  
 A gift to let us remember a happy moment  
 Or even recall a fallen tear  
 So we will remember our times this year  
 And Edison, we will remember you.
